

Well Folks,

I want to thank everybody for the support they have given me for the past TEN YEARS, —for Today I celebrate my Ten Happy Years I have had your patronage.

So let us start today to be more loyal to ourselves, — to our fellowman, and to our community.

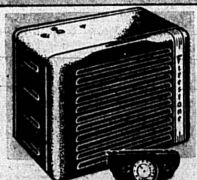

If Worrell, the Hardware Man, doesn't have it; no use of looking further.

AMBULANCE SERVICE

S. S. Numbers Are Available in L. A.

Southern California employees in industry, commerce and professional service are informed that hereafter they should file applications for social security account numbers with the Los Angeles office of the Social Security board, Charles H. Cunningham, Los Angeles manager, has announced.

Since last November the post offices, acting for the Social Security board, have received applications for social security accounts and issued account numbers to employees. This arrangement, according to Cunningham, expired yesterday, except that post offices will have a supply of the application form (SS-5) on hand for the convenience of local employers and employees.

Mother Starts to School
CLEVELAND. (U.P.)—Mrs. Margaret Bock, 31, recently was graduated from an elementary school to which she had been going in order to keep educational pace with her 11-year-old son.

Hospital Nursery Has 15 Babies As Residents

Perhaps the busiest place in Torrance these days is the nursery at Jared Sidney Torrance Memorial hospital. There 15 babies are enjoying—more or less—their first week in life. Eight of them were born during the past week, the remainder of the new arrivals being "veterans" of the nursery.

The new babies are: A son born to Mr. and Mrs. W. W. Barber, 1021 Cravens avenue, Sunday.

A daughter born to Mr. and Mrs. Donald Campeau of Redondo last Friday.

A daughter born to Mr. and Mrs. T. E. Coggins of Hermosa last Friday.

A son born to Mr. and Mrs. N. F. Decker, 1953 25th street, Lomita, last Wednesday.

Seven "Old" Babies
A son born to Mr. and Mrs. Gilbert Oelkers of Compton, last Saturday.

A son born to Mr. and Mrs. Durward Simmons of Redondo on Monday.

A son born to Mr. and Mrs. K. A. Varro of Redondo on Saturday.

A daughter born to Mr. and Mrs. R. O. Withers of Gardena last Wednesday.

Babies continuing to receive hospital care here are the twin sons of Mr. and Mrs. Theodore Gibson of Gardena who were born last Thursday; Mr. and Mrs. William Czelegar's son born to the Redondo couple June 22; Mrs. Czelegar has returned home; the daughter of Mr. and Mrs. C. W. Rhoades of 1724-A Manuel avenue, born June 22; the Silvus baby boy born on the same date; the son of Mr. and Mrs. F. C. Sturges also born on June 22; and the daughter of Mr. and Mrs. Sidney Williams born last Wednesday.

Roberts Opens 32nd Liquor Store In City

One of the best-arranged and largest stocked of the well-known Roberts Liquor stores opened here this week at the corner of El Prado and Sartori avenue under the management of Lester King.

Workmen completed preparing the interior of the store and erecting a large neon sign on its corner late last week.

Lee McCullah, supervisor of the Roberts stores (of which the Torrance outlet is No. 32) in Southern California, announced that the large stock on display here comprises the best of domestic and imported liquors, wines and cordials and that refrigerated beer of many brands is always available.

King, who has been serving as relief manager for the Roberts firm for the past three years, has been advanced to full management of the local store. He intends to locate his family in Torrance as soon as he can obtain a suitable residence. In launching the new store, Supervisor McCullah pointed out that employees will gladly cash payroll checks for local workers without obligation.

A full-page advertisement in The Herald this week conveys full information concerning brands of liquor stocked here and the Roberts-low-price policy on its wares.

CAR IS ROBBED
A suitcase containing clothing and supplies valued at \$10 was reported stolen from a car owned by T. J. Putnam, 1430 221st street, while the machine was parked on Sartori avenue between Marcellina and El Prado late yesterday afternoon.

Steel Auditor Retires After 48-Year Duty

H. F. WILSON

auditor and secretary of the Columbia Steel company, retired from active duty yesterday, terminating a service record of 48 years with the U. S. Steel Corporation. Starting as a clerk in the rail mill of Joliet Steel company in 1889, Wilson rose to his present high office with the Columbia Steel company on July 1, 1930.

Lomita Pair Face Charges Following Marital Difficulty

O. P. Davis, foundry worker who lives in Lomita, was released from the county jail last Saturday on \$100 bail almost at the same time that his wife, Mrs. Dorothy M. Davis, 32, was being booked there on a charge of bigamy preferred by her husband whom she married in Yuma last March 4.

Davis had been arrested earlier on a charge of malicious mischief, brought by his wife following a quarrel at their home when he assertedly burned her clothing. According to the story Davis told investigators, his wife was not divorced from a previous husband, one H. A. Moore, truck driver, when she married him. Mrs. Davis told police Moore told her he had divorced her before she married Davis.

Davis was to appear in the Gardena Justice court this week on the charge of malicious mischief.

MUST GET PERMITS
Motor vehicles using diesel fuel may operate on public highways after today only under state board of equalization permits.

Frank X. Weiss, 70, Succumbs At Home Here Fri.

Fifteen years ago when Frank Xavier Weiss came to California with his wife, following their daughter and son from Toledo, Ohio, he expressed his belief in the budding city of Torrance by purchasing a modest home here. Early Friday morning, as it must to all men, death came to Mr. Weiss, then in his 70th year, at his home, 716 Border avenue.

He had been in poor health for about two years, the result of heart trouble but he was only seriously ill for the past few weeks. His passing came as a shock to many present and former residents of this city who knew him as a man of sterling character, deeply interested in his family and his adopted "home town." He was a native son of Adrian, Mich., where he was born April 30, 1867.

Pastor Pays Tribute
Mr. Weiss was in the hotel business for many years but was retired during his residence in Torrance. He was a member of the Toledo Moose lodge No. 371. Besides his devoted wife, Mrs. Edith Weiss, whom he married nearly fifty years ago, he was survived by a son, Arthur of Los Angeles and a daughter, Mrs. John McMillan of 1527 Post avenue; four grandchildren Dorothy and John McMillan, the latter of Westwood Hills, and two great grandchildren.

In his honor the Rosary was recited Sunday evening at Stone and Myers' chapel and the funeral Mass was held at the Church of the Nativity Monday morning. Rev. Father Joseph Fitzgerald officiating. The pastor expressed the sentiments of the community in paying tribute to Mr. Weiss during the service and citing his life as a symbol of Christian service to family, community and nation. The church was a bower of flowers, beautiful expressions of Mr. Weiss' many friends in this city and elsewhere.

James O'Toole, 1225 Madrid avenue, was a delegate to the Disabled Veterans' convention held in Ventura, last Wednesday.
Dinner guests at the T. J. Wilkes home, 2717 Carson street, Wednesday evening were Jess Forreman of Long Beach, Miss Julia and Frank Suwalski of San Francisco.

In Bakersfield for the week is Mrs. M. Klaurer, 2362 Torrance boulevard.

Visiting with Mrs. Fred Jumper, a former resident of this city now living in Ojai was Mrs. James J. O'Toole and sons of 1225 Madrid, and Mrs. Chester Price of Los Angeles, Wednesday.

Why Firestone always leads in giving top fire value...

Quality Rubber at Lower Cost! • More Efficient Manufacturing! • Lower Distribution Costs!

THESE SAVINGS PASSED ON TO YOU IN THE FORM OF EXTRA VALUES AT NO EXTRA COST!

IN PLANNING your Fourth of July trip, plan now for the SAFETY of yourself and family by replacing your smooth, worn tires with a set of new Firestone Standard Tires! Firestone makes great savings by controlling rubber and cotton supplies at their sources, by more efficient manufacturing methods, by selling in such large volume that distribution costs are lower. These savings are passed on to you in the form of extra values.

EIGHT EXTRA POUNDS OF RUBBER to every 100 pounds of cord. Extra value AT NO EXTRA COST.

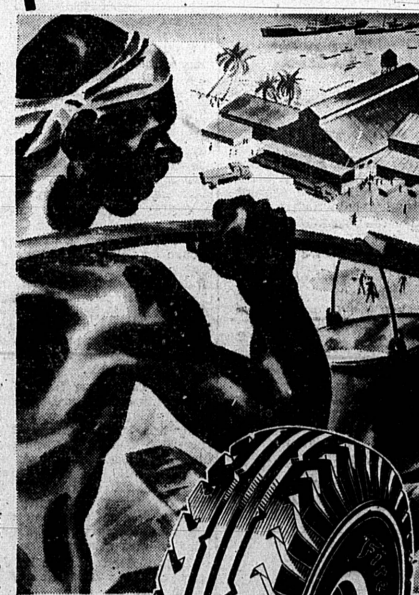

PROTECTION AGAINST BLOWOUTS, because Gum-Dipping, that famous patented Firestone Process, makes these tires run up to 28 degrees cooler. By this process, every fiber of every cord in every ply is saturated and coated with pure, liquid rubber, counteracting internal friction and heat that ordinarily destroy tire life. Extra safety AT NO EXTRA COST.

PROTECTION AGAINST PUNCTURES, because under the tread are two extra layers of Gum-Dipped Cords. Extra tire strength AT NO EXTRA COST.

PROTECTION AGAINST SKIDDING, because the tread is scientifically designed to prevent this danger. Extra safeguard AT NO EXTRA COST.

Don't take chances with worn tires on your Fourth of July trip. Join the Firestone SAVE A LIFE Campaign today by equipping your car with a set of new Firestone Standard Tires — today's top tire value!
